Rock Solid Floors, Inc. D/B/A Rock Solid Floors (hereinafter referred to as “Rock Solid Floors”), a Minnesota Corporation, represents and warrants that the materials manufactured by or for Rock Solid Floors and bearing the Rock Solid Floors’ label used in the installation of your project are free of defects at the time of sale.

The materials have been cured and tested in accordance with the standard Quality Control Procedures. When installed by an authorized Rock Solid Floors’ applicator, the materials are warranted for the lifetime of the original purchaser against any abnormal yellowing, fading or color change of the clear sealer due to the effects of UV sunlight or overhead lighting and for three (3) years after installation against failures to bond to the concrete, peeling, flaking, chipping or excess wear and excessive loss of gloss of the clear sealer.

This warranty is applicable to residential garage floor applications only and is dependent on the following conditions:

1. This warranty does not apply to any damages to the coating by physical abuse, failure of the structure or substrate, vandalism, modifications to the substrate the coating is being applied, mechanical impact damage, exposure to heat or flame, exposure to solvents and acids, windstorms, lightning, nails, screws, plant life, animal life, abuse of owners personal, or any other acts of God.
2. This warranty does not apply to damage due to gouging and other extensive damage beyond the scope and protections of the system applied, including impact and abrasion other than that for which the system was designed.
3. This warranty does not apply to damage caused by a hydrostatic water problem, moisture vapor permeating the concrete slab, or exposure to either battery acid or brake fluid.
4. This warranty does not apply to delamination caused by improper substrate condition, or an internal failure of the substrate.
5. This warranty does not apply to damage caused by cracks in the substrate prior to or occurring after the installation of the floor coating system that appear from ground shift and expansion/contraction of the substrate, cracking due to substrate movement is not under warranty regardless of whether same was repaired during original installation or not. There is no warranty for cracks or crack repair. Areas repaired under this warranty may vary in color and texture from areas originally installed which are not repaired. This limited warranty shall not apply in the case of improper substrate construction, exposure of the products to solvents and/or higher concentrations of acids other than that moisture from within, under or adjacent to the concrete surface.
6. Rock Solid Floors’ products must be applied on a properly prepared surface in accordance with standard Rock Solid Floors’ product specifications and application procedures. Proper concrete surface preparation is achieved by mechanical grinding machines that remove all previous coatings, sealers, laitance, efflorescence, water repellants, curing compounds, oils, grease, fats, waxes, non-visible soluble salts and any other impediments to adhesion. The resulting receiving surface must have a profile of 20 to 80 grit, a neutral pH of 7 and not exceed 3 pounds of moisture evaporation over 24 hours per 1,000 sq.ft. using the calcium chloride test.
7. This warranty does not extend to labor costs for inspection, testing or repair of the Rock Solid Floors’ coatings system or any other labor costs.
8. This warranty does not cover changes or oxidation of the coating as a result of normal weathering or atmosphere conditions.
9. Rock Solid Floors will not be liable for consequential or incidental damages of any kind including but not limited to damages to the structure or its contents resulting from defects in Rock Solid Floors’ coating system. The obligation assumed under this warranty is expressly limited to providing such materials, as provided herein, required to repair any defects covered under this warranty agreement.
10. Rock Solid Floors’ responsibilities under this warranty agreement cease if any alterations additions or repairs (excluding emergency repairs) are made except in accordance with specific written instructions from Rock Solid Floors.

11. Any notice of claimed defect in Rock Solid Floors' materials shall be sent in writing by certified mail, return receipt requested, to Rock Solid Floors, attention Warranty Department, located at 3001 103<sup>rd</sup> Lane, NE Blaine, MN, 55449. Failure to notify Rock Solid Floors in writing as provided above of any such claimed defects within 30 days of discovery of the claimed defect shall void the warranty claim.
12. Purchaser shall allow Rock Solid Floors or Rock Solid Floors' representative up to sixty (60) days to inspect and provide replacement materials under this warranty. Rock Solid Floors may at its request require photographs, invoice copies or other information about the claimed coating failure.
13. This warranty becomes effective only upon payment in full to Rock Solid Floors for all outstanding charges relating to this project and this warranty form is filled out and returned to Rock Solid Floors, attention Warranty Department, located at 3001 103<sup>rd</sup> Lane, NE Blaine, MN, 55449 within fourteen (30) day's of the completed project;
